

The Friarsgate Practice Patient Participation Group (PPG)

If you would like to become a member of our patient participation group (PPG), please fill in your details below and hand this form back to reception or complete and press the submit button below.

The PPG has a Steering Group that meet regularly, but members of the main group are contacted by email every now and again. If you wish to, any member of the main PPG group can be involved in adhoc events as they occur, or if it is your preference you can simply remain 'virtual' receiving those emails and responding if you care to.
